## **Voting instructions:**

At the Annual General Meeting, the proxy representative shall exercise the voting rights of the shareholder granting the authorisation in each of the items of the agenda of the meeting as indicated with a cross (X) below.

If no voting instructions have been indicated below, or if there are more than one voting instruction on the same item, or if other text or markings other than a cross (X) have been used to indicate a voting instruction, the item will be marked as “No action” when the votes are registered. This means that shareholder’s shares are not taken into consideration in the item in question. Shareholder’s shares are not considered as shares represented at the meeting and the votes are not counted as cast votes with regard to the item in question.

I/we understand that if I/we give the proxy document as a representative of an entity (incl. estate), the legal representative of the entity or a person authorised by the entity must provide necessary documents to prove the right to represent the entity (e.g. trade register extract or board resolution). Documents are requested to be attached to these voting instructions. If the documents are not submitted during the registration period or they are otherwise incomplete, the shares of the entity will not be included as shares represented at the General Meeting.

## **Matters to be decided at Gofore Corporation’s Annual General Meeting 2022:**

Agenda items 7 to 17 cover proposals of the Board of Directors and the Shareholders’ Nomination Board of Gofore Corporation to the Annual General Meeting in accordance with the notice of the meeting. The option “Yes” means that the shareholder is in favour of approving the proposal.

The option “No” means that the shareholder objects to the acceptance of the proposal. By voting in advance it is not possible to submit a counterproposal to the meeting or demand a voting. “Abstain from voting” means giving an empty vote and shares are considered to be represented in the meeting, which is meaningful in resolutions requiring qualified majority (e.g. agenda items 16 and 17). In qualified majority items all shares represented at the meeting are taken into account and abstentions thus have the same effect as votes Against/No. Therefore, abstaining from voting affects the voting result. Shareholders should be aware of this, especially if giving a vote against is not their intention. If not otherwise communicated, the voting instructions are presumed to concern all the shares that the shareholder holds.
